Description: As dramatic and chilling as a bedroom window shattering at midnight. —New York Times Ted Bundy was handsome, charming, a brilliant law student, and on the verge of a dazzling career. On January 24, 1989, he was executed for the murders of three young women, having confessed to taking the lives of at least thirty-five more. This is the story of one of...

Review: Ann Rule was an exceptional writer who I just know was born to write this book, and others like it. She gives a chilling account of what it was like to have actually known Ted Bundy, to have worked alongside him, and then to have gone through the absolutely harrowing ordeal of discovering he was one of the most prolific serial killers of all time....
